

# Voices of Chatham: An Oral History Project

**Be a part of Chatham history!** Wouldn't it be great if we could hear the stories of people from Chatham who lived 50 or 100 or 200 years ago in their own voices? Unfortunately, we don't have those recordings, but we can record our stories for those who come after us.

The Chatham County Historical Association has partnered with the Language and Life Program at NCSU to collect oral histories about life in Chatham. Whether you are a longtime or lifetime resident of Chatham County, or a newcomer who is excited about living here, please, sign up to tell your story for our oral history project.

To learn more or to sign up, send the Voices of Chatham team a message via email at [bjmccurd@ncsu.edu](mailto:bjmccurd@ncsu.edu) or through the Voices of Chatham page: [VoicesofChatham.org](http://VoicesofChatham.org)

**Voices of Chatham**  
**An Oral History Project**

**ABOUT OUR PROJECT**

The **Language & Life Project** has partnered with the **Chatham County Historical Association** to collect oral histories about life in Chatham!

**ELIGIBLE PARTICIPANTS**

While we are prioritizing **long-time residents (75% of life in the county)**, we welcome anyone with a connection to Chatham who is interested in participating! Participants must be 16 or older

**WHERE? WHEN?**

**Whenever** and **wherever!** We're happy to interview participants at their homes but the **(old) Chatham Courthouse** is available as well. To schedule an interview, email [bjmccurd@ncsu.edu](mailto:bjmccurd@ncsu.edu)
